Exploring Nature...A Cool Way to Spend Your Summer!

Do not miss this great opportunity to learn about the environment and have some fun at the same time! The **Shawano County Land Conservation Department** is again providing scholarships for Shawano County Youth to attend Conservation Camp.

Scholarships of \$175 each are available to attend the WI Land+Water Middle School Conservation Camp at Camp Lakotah in Waushara County from **June 28-July 1, 2026** for students (entering 6th - 8th grade for 2026/27 school year). Camp registration is \$350 which includes all meals, snacks, lodging, activities and a camper T-shirt.

If you have a special curiosity for **nature and our environment**, this camp is just for you! A few of the camps' goals are to broaden the experiences of youth who may be interested in **environmental careers** and also offer the chance to enjoy plenty of **outdoor activities** including hiking, fishing, swimming and canoeing.

Scholarship applications are available from the Shawano County Land Conservation Department. **The scholarship application deadline is Friday, May 15, 2026.**

Camp registration is to be completed per directions on WI Land+Water website

To find out more about this camp program and/or request a scholarship application, contact the Shawano County Land Conservation Department, 311 N. Main Street-Courthouse, Shawano, Wisconsin 54166. Call (715) 526-4632 or email Scott Frank at scott.frank@shawanocountywi.gov Completed scholarship applications can be submitted as hard copy or attached in an e-mail to the attention of Scott Frank.
