Meeting was called to order by Jon Zwirschitz for Public Safety and John Ainsworth for Public Property.

DISCUSS AND TAKE POSSIBLE ACTION REGARDING EVIDENCE STORAGE:

Dreher provided the redesign plans of the evidence building dated March 10, 2017. Building dimensions are 120' x 60' and the building location is on 2nd Street next to the Jail parking lot. Plan approval is requested from these committees. The next steps would be to request approval from City Zoning and obtain project costs. The plan does not include outside vehicle storage. That would be a separate area by the Work Release Center. Motion by Hoppe, seconded by Bolin, to accept the redesign plans as presented.

Public Property – Yes: Ainsworth, Erdmann, Hoppe, Zeinert No: Noffke

Public Safety- Yes: Bolin, Miller, Zeinert, Zwirschitz Absent: Ferfecki

Motion passed by majority vote.

Bieber advised that he met with City and Stockbridge Officials and provided them a copy of the proposed plans. The City has immediate needs for vehicle storage. Stockbridge already houses all evidence with the Sheriff's Office and is interested in partnering in this project. Both departments advised that they would need final numbers of the project in order to consider a contribution and commit to an amount. Bieber provided them with all the information that he currently has and informed them that the County is working toward obtaining more information.

Next meeting date on April 20, 2017 at 6:00pm at the Shawano County Sheriff's Office – James E Stoltenow Training Room.

Motion by Zeinert, second by Bolin to adjourn the meeting at 6:45pm. All in favor and meeting was adjourned.

Dana Ritchie, Recorder
